Dear Parents and Friends,

**National Data Collection**
The school is taking part in the National Consistent Collection of Data on school students with disabilities.

This involves providing confidential data on the number of students with special needs in areas of academic, social, emotional and physical areas. The attached letter is only if you **DO NOT** wish to participate.

**Late Arrivals/Early Leavers**
We are returning to our old system of yellow slips for late arrivals and early leavers. Parents/carers must attend the office if your child arrives after 9.00am or leaves the school grounds before 3.00pm, to complete the appropriate documentation.

**Long Weekend**
Reminder that next Monday, 9 June is a public holiday for the Queen’s Birthday.

**Red Threads Day**
A collection bucket is in the school foyer for the Salvation Army Red Shield Appeal. You are welcome at any time to contribute to the appeal.

Students are invited to wear red this Friday, 6 June to add a gold coin donation to the Salvation Army appeal.

**Family Disco**
The family disco and BBQ on Friday night was a huge success! Thank you to the year 6’s, teachers and parents who all helped out on the night. It was great to see so many families having fun. We are looking forward to the next disco to be held in Term 3.

---

**Cooking Volunteers**
Cooking will be held during the last two weeks of term and so we need volunteers to help on Wednesdays 18 and 25 June. Please add your name to the roster in the office foyer if you can help.

**Cadbury Chocolate Fundraiser**
Thank you to the eleven families who have already sold and paid for their chocolates. Thank you also to those who have already collected a second box. Well done! There are boxes available if anyone is willing and able to sell more. Remember all chocolate money to be returned by Friday, 20 June. Thanks Melinda 0407 662 961

Dear Parent/Caregiver  

**Nationally consistent collection of data on school students with disability – 2014**

Our school is participating in the collection of nationally consistent data on school students with support needs and disabilities. This covers academic, social, emotional and physical needs.

We will be collecting information already available in the school about the support that is being provided to students with particular needs and disabilities. Better data will help the Government plan for all students.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students.

**If you do not want your child to be counted in the data collection you must complete the attached form and return it to the school before the end of Term 2, 2014.** A decision to exclude your child will not affect the support they currently receive.

Further information about the data collection can be found on the Australian Government Department of Education website:

If you have any questions about your child being included in the data collection please contact the school.

Kind regards

Principal

---

If you do not want your child to be counted in the data collection, please complete the attached form and return it to the school before the end of Term 2, 2014.
